

MODULE FIVE

Perceptual Development

Early development

- What is perception?
- Get ready for school
 - Language and thinking
 - Visual perception
 - Auditory perception
 - Mathematical skills
 - Fine motor skills
 - Gross motor skills
 - Play dough recipe
 - Salt dough recipe

Visual perception

- Common areas of difficulty
 - Visual discrimination
 - Spatial relation
 - Visual memory
 - Visual figure-ground
 - Visual sequencing
 - Visual-motor integration
- Intervention
- Activities to improve visual skills

Auditory perception

- Common areas of difficulty
 - Phonological awareness
 - Auditory discrimination
 - Auditory memory
 - Auditory sequencing
 - Auditory blending
 - Auditory figure-ground
- Intervention
- Activities to improve auditory skills
